The game that began as a fantasy fantasy RPG set between the world of MapleStory and Monster Hunter, has grown into a full scale new world in Open World and action RPG, and is now playable across mobile devices. 1. Rise – You enter the world of Tarnished, where the Blood Red Dragon, Zweilous, has awakened. A white blood dragon, whose body was destroyed by the dark blood dragon and the hero of the story, has now revived to create terror, and the continent of Tarnished has fallen into chaos. 2. Fighting – A number of blood dragons known as ‘sinew demons’ come into being, and they destroy the land. 3. Highway – The hero, who has just come back to life, takes on the role of defending the land. You can fight against monsters, find out about the history of the conflict between white blood dragons and dark blood dragons, and capture items to develop your character. Also, the game’s basic mode works offline, and other modes are also included, such as the story mode “Tower of Empyrion”, mode of “adventure”, and the battle of “mercenary”. - Additionally, an exclusive character portrait is also coming soon. - Users who have previously played and obtained an item from the Hero’s Calling quest “Reunion” will receive an item. #### **Introducing the famous Elden Lord class system**

A graduated class system. Characters are created in classes that range from classes from II to XX. Each class has its own subtropics and maintenance costs. Rising in a class ranks players up by 10 tiers. A heavy class that matches your play style and lets you focus more on combat will allow you to increase your attack power. A class that matches your play style and focuses on more support ability will help you to use the weapons and magic you equip the most.

When he reaches class X as the highest class, it is time to join the Ultimate Adventure! In order to make your character stronger, there are three subclasses in the Ultimate Adventure Class; World Hunter, Snow Archer, and Cave Monster. Together with your mounts, they can be taken into the Ultimate Adventure! The World Hunter and Snow Archer are two of those subclasses.

#### **Targeted Class Synergies**

Fully incorporating class synergies into the class system. What is each class missing? Classes that also have a class synergy will help players in a particular class in particular. For example, the Archer and the Mage will be able to strengthen their synergy. With a High Hunter, will those boost their abilities in combat. By combining different classes, you can take advantage of class synergies like these.

## **What's new in Elden Ring:**

### **Setting**

***Arena of Zeldria*** is the story taking place in the Lands Between, a magical world arising from the debris of the ancient Elryn Empire and interconnecting the endless, mysterious, and unexplored lands. The world is ruled by the knights of the Elden Ring, with their forces maintaining order. Only a few have achieved the lofty status of an Elden Lord. The other knights and towns serving as their subordinates are called Tarnished. Towns once or twice invaded in the past have been subdued by the knights, and land in the free play area has been controlled by them as well. But the knights are united in upholding peace and order.

The conflict between the knights is so invigorating because it gives a sense of fulfillment to protect the world and serve society! The enemy is completely ruthless, but also the encounters with them can be unbelievable, making it hard not to feel the thrill of fight!

### **Gameplay Features of Arena of Zeldria**

- Action RPG of Fantasy, with Unit Management System (UMS).
- Wulfen are non-customizable team units. Each Wulfen is equipped with 12 unique skills.
- Technology Tree for Equipment Upgrade.
- Place Training at the beginning of the game, which increases your level by all the skills learned during the journey.
- Pairs with the multiplayer function, and share your account with your friends online.
- After Conflict, your travel takes place to gain EXP and LP.
- A large number of unexpected story events encourage you to progress through the town and the world.
- BAM forum (Battle Arena Managing Forum) where users share their arena scores with each other online. Arena of Zeldria will be distributed by the ARK Launcher.
- The Asynchronous Online element is also included, allows you to enter battles with your friends online. If you defeat your opponent, your points will be sent to your opponent's account. This allows you to experience new content even when you are offline.

**Elden Ring breaks through new seasons of record popularity**

MAGEZONE INTERNATIONAL, the developer of the epic fantasy action RPG Elden Ring, has achieved a global record for online sales of a PC video game. The "The Elden Ring: Reboot" downloadable update, which was released in July, and the game's launch on the new platforms of Steam and GOG.com in October guaranteed an extraordinary rise in sales.

MageZone International, one of the pioneers of the genre of games, unlike other franchises, conveys a story that
