When a Woman is a Mother, nothing compares to the level of courage for her child. Betty Mohammadi is one of the most courageous women in the world. This is an amazing book. The book tells about the fate of a young Indian woman who, despite all the difficulties and difficulties, grew up courageous and strong in spirit. She became the mother of three sons who were born and raised in India. Today, she works in the United States for a major humanitarian organization that works on women's issues in countries where the "cold civil war" is going on. As she works, she constantly remembers that in her time
